

MASC Media Statement

The Minnesota Amateur Sports Commission's (MASC) presence on media platforms provides opportunities to learn about MASC programs and services. Social media allows MASC to share information beyond the official agency website; however, MASC also encourages anyone interested in more information to visit mnsports.org.

Privacy

MASC social media accounts are not official MASC websites, but rather the agency's presence on third-party service providers' platforms, which means MASC has limited control over how each platform uses personal data provided by users. Users are encouraged to read privacy policies of each social media platform via these platforms.

Communications with MASC, whether on social media or in an e-mail or traditional mail, are subject to [Minn. Stat. Chapter 13](#), the Minnesota Government Data Practices Act. Generally, social media and e-mail interactions are public information, and are subject to disclosure, according to that Act.

Any LinkedIn member can follow the MASC company page, and MASC employees with individual accounts on LinkedIn may select MASC as their employer. The appearance of a user as a follower or employee of MASC does not imply endorsement of any kind.
